You will be missed by all those you have touched throughout your life...I so appreciate and feel completely blessed to have had you as a mother-in-law (Mother) from the very beginning when we first met I was immediately accepted there was never an awkward transition from being a stranger to a daughter-in-law. You were there from planning my wedding to giving birth to my Son. You were always so thoughtful in your teachings with regards to being a Wife, Mother and now a Grandmother. I look forward to following your footsteps with Paxton one day in spending the time that you were able to spend with John; you were truly a Grand...Mother! You always expressed your gratitude, you had the gracious art of accepting people for who they were. The world is a better place to have had you in it. God and his Angels have called you away and I can only imagine how the Angels rejoiced as you walked through the pearly gates! I miss your wisdom, you were more than a mother-in-law you were a Mother and a friend. I look forward to our meeting again in your new heavenly home. Jody

What can I say to the most amazing grandmother in the world! While "Thank You" would be an understatement, however it is a start. Thank for being an amazing role model, wife, mother, grandmother and friend. Thank you for all the amazing times in my childhood from camping, traveling and supporting me in my personal adventures! I could not have wished for someone as great as you to be my grandmother. While I cannot bring you back I can say you will be extremely missed and I Look Forward to Seeing You Again - One Day in Heaven! Love Your Grandson, John Longbrake & Family
