I have been looking for Leota for sometime. Had an address in FL for her but one year my letter was returned undeliverable. I wish I'd have known where she was. At a time in my life where uncertainty and fear stood, Leota helped me as did her husband. I still remember their generosity and how it helped pull me up and onward. I say this presuming Leota lived in Pittsburgh at some point. I never met her children but i want you know how truly thoughtful she was.cheryl sella
