My aunt was a caring woman who treated as her own son as did her younger sister cuca as a small child they would stand about 3ft. From each other and toss me to each other as if i were a ball. One time they took me to town to see a movie i sat in front of them in the bus i fell asleep they got off at our stop as the bus started moving i woke up and didn't see them behind me so i climbed up the rear bench seat and looked out the rear window and both my aunts were running after the bus so i pulled the string to ring the buzzer to stop the bus lucky for them i knew about the string after that they told me don't tell your uncle we forgot you on the bus or he will never let us take you anywhere with us so i waited until i was 19yrs. Old and everyone had a good laugh I'll miss my aunt dearly she was more like a friend than my aunt ,she never got mad at me or disciplined me we were always joking bye aunt maggie I'll miss you and always love you and have you in my heart,i thank god he put all of you in my life and made me the man i am today SEMPER FI Tia (aunt in spanish) !!!!! Your nephew lance corporal RAMIREZ , MIGUEL O. U.S. MARINE CORPS VETERAN brother bob we will keep you and my cousins in our prayers!!! Keep in touch!!!!
