It is clear from the photos that the Noellert family had many memorable moments that display love and fun all wrapped up in the wonderful events that define a family who enjoyed and loved each other. To Brenda, Chris, and Greg and their respective families I am truly sorry for your loss. John always openly loved Brenda and both of his sons and their families. What better thing can you say about a man? Love, Aunti Lil

All of my love and prayers for Brenda and family as you deal with the passing of your precious husband, dad and pop pop. We have been neighbors with John and Brenda for 15 years. There are lots of special memories of evenings visiting on the dock, setting off fireworks for the 4th of July and Johns incredible good home cooking. John truly enjoyed his gardening and he and Brenda readily shared the goodies with their neighbors. May God bless the memory of a such a great friend. Love and Hugs. Linda

I met John and Brenda when my daughter Linda became engaged to their son Greg, he was a wonderful man and remember them fighting over who was going to pay the check for breakfast. John and Greg both claimed they left their wallets at home.

I had the privilege of working with John at USAmeriBank. I always enjoyed dealing with John on a day to day basis as he had such a good sense of humor. I will always remember his drawer full of goodies to eat and his "easy button" that he slapped on a regular basis. I stayed in contact with him for awhile after retiring from the bank. He was a very good man and he will be missed.
