# Taylor Michele Shearer

DEC 1, 1993 - FEB 23, 2018

**T**aylor Michele Shearer passed away on the morning of February 23rd, 2018 near her home in Myakka City. She was just 24 years old.

Born and raised here in Manatee county she attended Community Christian School until 4th grade. Taylor excelled in everything she did all through her high school years at Lakewood Ranch High School. She volunteered with numerous causes including Southeastern Guide Dogs and others working toward a Bright Futures Scholarship for college. She paid most of her own way through college working at Shoe Carnival and Nordstrom Rack, first while attending State College of Florida for 2 years and later finishing at USF. Taylor graduated with honors from USF in 2017 with her BA in Business Administration. Being a wise young lady, she worked hard and was able to use her degree to get a great job with Mid-America Mortgage.

Taylor loved to hang out with her friends, go fishing, do fun little arts & crafts and spend time with family. She was vibrant, dynamic, radiant young woman who would give up her own time to help you if you needed it.

She leaves behind so many who love her, including her grandparents Jim & Judy Ingram; parents Rodney & Stephanie Shearer; aunts and uncles Bobby (Carla) Shearer, Sandy (Rusty) Sauls and Troy Ingram; numerous great aunts, great uncles, cousins. Along with those immediate family, Taylor is survived by her boyfriend Sean Wickman, his parents John & Janet Wickman, and her best friends Emily, Meghan, Max, Laura and Sam. So many more will always miss her.

Services will be held at Palm View First Baptist Church at 415 49th St E in Palmetto, FL on Saturday March 3rd. Visitation/Gathering starting at 1:00pm and Funeral Service at 2:00pm. Arrangements entrusted to Skyway Memorial Funeral Home. Online condolences and tributes may be shared at [www.SkywayMemorial.com](http://www.SkywayMemorial.com)

Taylor was so beautiful inside and out. She touched so many people's lives with her smile and her gentle spirit that God gave to her. Rodney & Stephanie, i'm so extremely sorry Taylor was taken from you way too soon and my heart is truly broken for you both. We will never understand Gods purpose for all of this until we are bowed before him one day. I pray that her kindness, gentleness, compassion, sympathy and giving heart, that she showed to so many people can teach each and every one of us how to be a better person during the time we all have left here. Rodney & Stephanie, you truly did a remarkable job raising such a beautiful young lady. If more people were like Taylor, what a beautiful world we would live in. God, thank you for blessing each one of us to be able to have Taylor in our lives for the time that we did. I pray that you wrap your loving arms around Rodney & Stephanie during this very difficult time. Provide them with peace and comfort knowing that Taylor is safe with you and that she is watching over them. We love you all so much, Cindy, Rodney, Dakota & Dawson

Our hearts are broken for you, Stephanie and Rodney, on the tragedy of losing your precious daughter Taylor. We will keep you in our prayers, and may the Lord bring you some measure of peace in the days to come. When I think of Taylor it is always with that incredible smile on her face, shared so easily, that brighten all our lives. I was looking through pictures last night, smiling at the wonderful memories we were fortunate enough to share. Taylor touched all our lives and we will be forever grateful to have known her love and kindness. My the Lord bless you and your family with comfort. Our love to you, Doyle and Kathleen Alley Cassandra and Matthew Skrobot

There is no easy way to say goodbye to someone. Taylor, you were one of my first best friends. You were there for me through so many good years, and when I look back on my childhood, it is with you and so many others who loved you. My life was made better for knowing you and your generous heart. I will never forget you, and my thoughts and prayers are with your family and loved ones now. With Love, Cassandra
