Tommy L Smith Jr.

FEB 14, 1960 - NOV 22, 2018

Tommy L. Smith Jr., 58, was born and raised in Bradenton FL. On February 14, 1960 and went home to be with his Lord and Savior on November 22, 2018. Tommy was an amazing man with a beautiful smile and a loving heart. He always knew what to say to comfort the ones that he loved. He was a man with a beautiful soul, that would give the shirt off his own back to anyone in need.

Tommy coached his sons little league teams for many years, and it was one of the highlights of his life. He also enjoyed gardening and doing anything outdoors. He was very passionate about traveling and fishing, but he always found his travels leading him to the mountains. Tommy also worked for Allied Molded Products of Palmetto FL. For 27 years.

In December of 2012 Tommy married his wife Bonnie, and after their wedding they traveled everywhere trying to see all that God has made. In their marriage he set the example of what a husband should be, and he loved her to the ends of the earth, or as they would always say, to the moon and back.

Tommy is survived by his loving wife Bonnie; His sons Christopher (Fiancé, Mari Delgado), Cody; Stepson Matthew Green (Wife, Rebecca); Granddaughter, Mallory; Grandson, Christian on the way; Mother, Laura Kelso; Step Dad Larry Kelso (Pops); Brother, Wayne; Sister, Yvonne; One nephew and two nieces.

The funeral service will be held 3:00 PM, Friday, November 30, 2018 from the Mausoleum Chapel at Skyway Memorial Gardens. Interment will follow at Skyway Memorial Gardens.

Although the passing years have eradicated my youth they did not erase my fond memories of my cousin Bert. How could they, I have almost no re-callable memories of my youth that Bert was not a part of in one way or the other. I left Bradenton for good over forty years ago, left America for good over thirty years ago, the memories do fade slowly but they did not disappear completely.Bert and I literally grew up together, from crawling around on the floor in diapers, going the same schools, driving the same cars, dating the same girls and having the same ideas on life. Now that I think about it, I absolutely can't remember one time that I ever saw Bert mad about something.Bert was the epitome of an easy going down to earth nice guy, a bigger compliment than that is for me unimaginable. It's rather funny, I have one reoccurring memory from my youth when I think of Bert; which is seeing him as a teenager lying on his couch laughing loudly with a bottle of Pepsi cola and a bag of Dorito's nacho cheese, while we watched the Miami Dolphins play football. Good times!Rest easy Bert, I'll never forget you buddy, lay now in God's hands and sleep softly, you've earned it.

I meet Bert when I was 17 years old, when I first started dating his brother. We became very close and he was just like the brother I never had. He had a way about him, very calm loving person. He will surely be missed by anyone that knew him. We love you Bert, apparently God needed you sooner than we all would have liked. R.I.P. I am so glad you had so much happiness before you had to leave us.
