Gregory Roy Zawacki

MAY 15, 1954 - DEC 9, 2019

Gregory Zawacki, 65, of Bradenton passed away on December 9, 2019. A private family visitation will be Friday at 10am. A memorial service will be held on Monday December 16, 2019 at 11am at Skyway Memorial Gardens 5200 US Highway 19 N Palmetto FL 34221.

The life we have, I imagine, is like water inside a bottle
Whereas us as a vessel, we fill ourselves with the people we love
Some, we're born into, others, seems, we're simply born to meet
Because there's love there, a connection that fits us like a glove

So, imagine with me, as we meet those people, we fill ourselves with
Would be, like drinking in those people's bottle, just as, they too to yours
Whatever you get to drink becomes a great part of what makes you, you
Just like the home you get to build, with the people you let-in to your doors

What I am trying to say is, as a vessel, we are also "one" for one another
When the time comes, one passes away, doesn't mean their love, is truly gone
A great part of them is inside a greater part of you and that will live on forever
And as far as life is concern, as God is the ocean, the odyssey, it's not for you alone

Besides, there's another kind of water, where Jesus described as the living-kind
Where death becomes, not as a doorway to a certain end but merely a beginning
Like raindrops falling from heaven, now imagine a fountain that will never, ever end
Where we will no longer imagine; for we'll be drinking with our love-ones, for a living
