## When I'm Gone

When I come to the end of my journey  
And I travel my last weary mile  
Just forget if you can, that I ever frowned  
And remember only the smile

Forget unkind words I have spoken  
Remember some good I have done  
Forget that I ever had heartache  
And remember I've had loads of fun

Forget that I've stumbled and blundered  
And sometimes fell by the way  
Remember I have fought some hard battles  
And won, ere the close of the day

Then forget to grieve for my going  
I would not have you sad for a day

## Obituary

---

But in summer just gather some flowers  
And remember the place where I lay

And come in the shade of evening  
When the sun paints the sky in the west  
Stand for a few moments beside me  
And remember only my best
