Man Among Men!

That's the Airborne Soldier for You

Swift—Sudden—Strong—he comes out of the skies to fight on the ground . . . a volunteer and proud of it.

By the very nature of his work he must be a finished soldier—capable in every phase of his profession—ready and able to do anything from hand-to-hand combat to packing his chute or repairing a field radio.

This all contributes to the Airborne Soldier's outstanding characteristic—self-reliance. It shows in his walk—his talk—and in his work. The Airborne Soldier is truly "A Man Among Men"!

There may be a place for YOU in the Airborne—find out today—pick up this folder "Hook up with the Airborne" at your nearest U. S. Army and U. S. Air Force Recruiting Station—Get all the facts, then Join the Airborne.
