Arlene was a person of such strong belief. When I called her a while ago and asked how she was doing with the pandemic and isolation, she told me " I have Jesus with me". Her faith was an encouragement for me. Though I only knew her for a brief time, I am grateful that she was a part of my life.

Dear Julie & Family, On behalf of all of us here at Kirkwood, we send you our love and prayers and deep thanksgiving for Arlene's life. I loved coming to visit her at home and having her show me picture after picture after picture! She loved her family tremendously. We were grateful to get to spend this last chapter with her. ~Pastor Hope
