Kit, so much time has passed and i know we don't know each other anymore, But your folks were very special to me. They were my God Parents and just two people i always loved to be with. Because of your Dad i had the chance to have Bubby and Gedgie in my life too. Those two people shared so much love with me when i was little and i have missed them too for so many years. So I wanted to share a story with you and Megan. Your Dad took us down to Gedgie's chicken store and I don't know how many times through the years, but several times anyway. As i got older i started to understand things and one day i saw a guy duming a chicken into a pot of boiling water and suddenly i put two and two together and I went back to the front where the chicks were and opened their cage because i was afraid they would put the babies in that pot too. I had not learned the whole thought process of what was really happening, but was afraid for the chicks. So needless to say i got yelled at some but your Dad and mine and Gedgie were running all around trying to catch chicks. They got them and Dad scolded me a little cause i was pretty young yet and i had to go tell Gedgie i was sorry. But he left me say that and then picked me up , gave me a kiss and a hug and it was all done. Bubby was always hugging us and pinching our cheeks and i adored both of them. I loved Uncle Bobby because he share those two with me and i just loved him because he was Uncle Bobby. I am so sorry you both had to say godby to both of your folks and i know how terrible it feels. But remember we will see them again one day and no speration at all after that. God bless you both and your kids. I'm praying for you to have the strength you need to get through this and the peace to help you through it. I love you Kit. Megan I love you too because you love "My Kit". Love Deb
