Nancy Ailes lit a candle in honor of Donald.

Donnie was a great guy. I've loved him since forever. Even though we could only be friends, at least we had an trusting, loyal and loving friendship. We had plans, we had more beach days. You left us way too soon. I miss him every day, I always knew I could call in the middle of the night and you would answer and you knew I would do the same. So many memories, so many good times You gave the best HUGS and I knew when you hugged me, everything would be all right. I keep picking up my phone to call you. Then I remember you are not there. I really need one of Donnie's hugs now. We always were there for each other. I lost part of my heart the day you passed. I know in my heart though, someday we will meet up again in Heaven. God blessed me with a friend like you and I'm grateful. I'm sending lots of hugs to heaven for you. I'm sending lots of love and saying lots of prayers for your family. I know my heart is broken I love you and I miss you Donnie.
