You've just walked on ahead of me  
And I've got to understand  
You must release the ones you love  
And let go of their hand.  
I try and cope the best I can  
But I'm missing you so much  
If I could only see you  
And once more feel your touch.  
Yes, you've just walked on ahead of me  
Don't worry I'll be fine  
But now and then I swear I feel  
Your hand slip into mine.
