You've just walked on ahead of me
And I've got to understand
You must release the ones you love
And let go of their hand.
I try and cope the best I can
But I'm missing you so much
If I could only see you
And once more feel your touch.
Yes, you've just walked on ahead of me
Don't worry I'll be fine
But now and then I swear I feel
Your hand slip into mine.
