My thoughts and prayers are with the entire Cuzzi family. Jean was one of a kind! She had the most beautiful eyes and they sparkled when she was passionate about a subject. She was always the first to lend a hand when someone was sick or needed help. She was a wonderful neighbor to my parents when they lived here and I was fortunate enough to have the Cuzzi's as neighbors for the past 11 years after I moved into my parents house. She made the world a better place to live and she will be missed.
