To Those Whom I Love & Those Who Love Me  
When I am gone, release me, let me go.  
I have so many things to see and do,  
You mustn't tie yourself to me with too many tears,  
But be thankful we had so many good years.

I gave you my love, and you can only guess  
How much you've given me in happiness.  
I thank you for the love that you have shown,  
But now it is time I traveled on alone.

---

So grieve for me a while, if grieve you must,  
Then let your grief be comforted by trust.  
It is only for a while that we must part,  
So treasure the memories within your heart.

I won't be far away for life goes on.  
And if you need me, call and I will come.

Though you can't see or touch me, I will be near.  
And if you listen with your heart, you'll hear,  
All my love around you soft and clear.

And then, when you come this way alone,  
I'll greet you with a smile and a 'Welcome Home'.

My dear cousin Garey, I will truly miss your gentle smile. During our younger years we spent lots of time together at grandma Vinnie's house. As time progressed, we grew slightly apart because we were a short distance away. However, our love for each other never departed. Take your rest cousin, you have truly fought a good fight. You will always be in my heart. Your cousin, Jackie
