So heartbroken for you all. Kyle was an intelligent and funny guy. He always had a story to tell. I was so glad that I got to meet him. All though it doesn't seem possible now, the day will come that you will remember him with a smile instead of tears. Sending love to you all. Laury Kitts

I worked with Kyle here at Manatee County Transit for the past 8 years. Recently, he confided in me his cancer diagnosis. I bought him a "courage" sort of card--when I tried to give it to him he refused since he was so confident of his ability to fight the disease. It was a privilege to work with Kyle and I'm grateful that he chose to share his recent success in education with me. My prayers go out to his wife and family.
