“ I knew Don and his Dad for a lot of years. Spent a lot of time talking about people that we knew around town and helping him with computer and printer problems. He was a very interesting person. I know that both of them are together once again in heaven and having a grand time. Will see them again one day. Rest in peace my friend.

Yours in Christ,

“ Don and I were prayer partners that started with the Prayer Intercessory Group at the 1st Presbyterian Church in Bradenton. The last 6 years or so, we met outside of the church every Sunday afternoon at 3 pm. Don is now in Glory and I will see him again!

Thank your for sharing your uncle with me. He was a beautiful brother in Christ. My heartfelt sympathy to your family.

May our Heavenly Father watch over you, protect you and prosper you where ever you go and continue to give you boldness to be witnesses for HIM.

Yours in Christ,

Linda Horne
