When I'm Gone

When I come to the end of my journey
And I travel my last weary mile
Just forget if you can, that I ever frowned
And remember only the smile
Forget unkind words I have spoken
Remember some good I have done
Forget that I ever had heartache
And remember I've had loads of fun
Forget that I've stumbled and blundered
And sometimes fell by the way
Remember I have fought some hard battles
And won, ere the close of the day
Then forget to grieve for my going
I would not have you sad for a day
But in summer just gather some flowers
And remember the place where I lay
And come in the shade of evening
When the sun paints the sky in the west
Stand for a few moments beside me
And remember only my best

“ She was like my sister when we were in Bergen County we were always getting in trouble with family! We celebrated our birthdays either by phone or in person cause we had the same birthday! I remember one time in Florida we went to a bar and sang Stop In The Name Of Love at karaoke, we got so drunk we had to have Kevin come pick us up when the bar was closing!! I miss the good ole days, we will have them again one day! Miss you but u have no more pain n u have family there with u!!!luv ya girl!!

“ My Sweet Mother - You have left this world too early but I know you are in a better place - My heart aches when I think of you no longer here but I also am relieved knowing you are watching over us all! I miss you more then words can say and I cry for you every day.

“ Hope will always and forever be in my heart , she was a great person inside and out. I couldn't have had a greater mother in law. You are a peace now. Love you always

“ I am sorry for your loss. I only have little memories of her. But what I can remember she was a beautiful lady. May she rest in peace.
