“ Wyatt you were my little brother. I always felt apart of your family. I am so scared of dogs but you and your sister loved them. I remember you would laugh every time I would get scared when a dog would try to to sniff me. Don't worry about your sister i will always be there for her because I know you would want her to be happy. I will also tell your beautiful Niece and Nephew how sweet and funny their Uncle is. Kora already has a deep love for dogs just like you. I love you brother. Be at peace with your mom and dad now.
